3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

6. We did not review the interim financial information of five Subsidiaries included in the Statement, whose interim financial information reflects total assets Rs. 9.75 crores as at 31 December 2025 and total revenue of Rs 6.79 crores. These interim financial information and interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Parent's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion is not modified in respect of this matter.

7. The Holding Company's management has converted the financial results of the subsidiary located outside India from accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion in so far as it relates to the balances and affair of these subsidiaries located outside India is based on report of the other auditors and conversion adjustments prepared by the management of the Holding Company and reviewed by us.

Other Matters

8. The comparative figures for the corresponding quarter & nine month ended December 31,2024 and the financial statements of the company for the year ended March 31,2025, included in these financial results, were reviewed/ audited, respectively, by the Predecessor Auditor who expressed an unmodified conclusion/opinion, respectively, on that financial information on February 06, 2025 & May 23, 2025 respectively.
